in the ICCA rankings

Toulouse; capital of knowledge

Toulouse is a city focused on excellence that brings together the talent of today and of tomorrow.

120,000

students

20,000

researchers

World capital of aeronautics

European capital of the Space industry

Scientific knowledge hubs and clusters: Aerospace Valley, Cancer Bio Santé, Agri-Sud-Ouest Innovation, Automotech, Digital Place, robotics and drones...

Accessible ...

TOULOUSE-BLAGNAC AIRPORT

67 regular international connections.
41 daily flights between Paris and Toulouse.
N°1 business airport in France.
Just 20 minutes from the city centre.

TOULOUSE-MATABIAU STATION

Trains to Bordeaux in 2 hours, to Montpellier in 2h15, to Lyon in 4h and to Paris in 4h10.
Direct connections with the city's bus, metro and tram network.

...and welcoming

MORE THAN 150 MEETINGS VENUES

From traditional buildings to innovative sites, the venues of Toulouse provide a wealth of inspiration when organising your forthcoming event.

A NETWORK OF EXPERIENCED PROFESSIONALS

Caterers, agencies and service providers can support you in your most ambitious projects!

ACCOMMODATION CAPACITY: 42,000

Accommodation is spread across hotels, charming and chain aparthotels, international brands, independently-owned properties, holiday residences and online rentals.

Toulouse; capital of innovation

Toulouse boasts 2,000 years of history and yet is constantly looking to the future. Innovation is in its DNA.

A European hotbed
for the transport technologies of
the future (Hyperloop TT, shuttles)

The headquarters of Oncopole,
a campus that is unique in Europe

A business incubator
with 163 R&D centres,
200 start-ups, 15 public and
private business accelerators

Toulouse; a bustling capital

Toulouse est à l'image de sa météo et de ses habitants :
chaleureuse et festive.

1,000 +
welcoming and generous restaurants

100 +
sporting events and festivals a year

2,000
hours of sunshine
on average every year
